## **DETAILED ACTION**

### ***Election/Restrictions***

This application contains claims 9-14 and 18-20 which are drawn to an invention nonelected without traverse in Paper No. 2. A complete reply to the final rejection must include cancelation of nonelected claims or other appropriate action (37 CFR 1.144) See MPEP § 821.01.

Claims 9-14 and 18-20 remain withdrawn from further consideration by the examiner as being drawn to non-elected inventions.

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

### ***Claim Rejections - 35 USC § 102***

Claims 15-17 are rejected under 35 U.S.C. 102 (b or e) as being anticipated by JP 61171429, WO009512371, Lemole, WO 99/15121, Heimberger et al., Aoki et al. '156, Aoki et al. '050, Kim et al., or Mosesson et al.

The references each teach all of the claimed ingredients together, namely calcium ion, an organic acid and thrombin.

Applicant argued that Mosesson does not teach that there is enough thrombin in the composition to stabilize the composition. This is applicant's opinion. The composition is just that a composition. All of the claimed ingredients are there. That is all the claims require.

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
